

## Sawmill Rec Golf 2025

Sawmill's Rec Golf league is geared to golf enthusiasts from beginner to intermediate levels. Our primary goal is to elevate your understanding and proficiency of golf fundamentals, ensuring a lasting enjoyment of the sport.

Whether you're gathering with friends, co-workers, couples, or parent-teen duos, everyone is invited to be a part of this golf experience. The program includes four fantastic 50-minute instructional practice sessions and eight twilight green fee passes.

Rec Golf is the place to be—where practice meets play, and every Monday is a chance to tee off into a week of golfing joy!

### THE FOUR LESSONS

- Kevin Niznik, PGA of Canada professional, will lead the program instruction.
- The group lessons will focus on a different aspect of the game: setup fundamentals, putting, short game (chipping/bunkers), and full swing. While we encourage you to choose one of each, you can tailor the lessons to your needs. If you really need help with your putting, you can choose four putting lessons!
- You will choose your four lessons during registration (select two in April/May/June and two in July/August).
- For lesson topics with dates and times, please check the website.
- Maximum of 8 players per session. Reserved on a first come, first serve basis.
- Lesson Locations: Sawmill's Driving Range, Short Game Practice Area, or Putting Green.
