

As I reflect on the 2024 Sawmill Junior Golf League, many great memories come flooding back. I wanted to take a moment to share some thoughts and updates with both parents and juniors, highlighting some of the standout moments from this season. Every junior made meaningful contributions to the league, and it was a true joy to watch them grow both as individuals and as golfers. Thank you for making this season so memorable!

Presented in a fun and lighthearted format, these awards celebrate the unique contributions and memorable moments that each of you brought to the game. Thank you for making this season special!
